

Post-Retro-Fit Survey – Digestive Health Care Center

Name	Ray Berrios
Has the comfort level of the building changed?	<i>I no longer have my employees complaining of the different temperatures in various areas of the building.</i> * * * * - Four Stars
Are you noticing a different environment in the building?	<i>The staff and patients are much more comfortable</i> * * * - Three Stars
Did our workers respect you and your belongings?	<i>Easy Energy staff were always courteous and thorough. They were great in shuffling their schedules in order to work on our building from 7 pm to 3 am and on weekends. Other contractors wanted me to shut down my building so they could work during daytime hours.</i> * * * * - Four Stars
Has your opinion of energy efficiency changed?	<i>The insulation and air sealing has drastically reduced our energy bills.</i> * * * * - Four Stars
Are you satisfied?	<i>We are very satisfied with the work Easy Energy has done and will continue to maintain a profitable relationship with them.</i> * * * * - Four Stars
Would you refer our services, if given the opportunity?	<i>My complex has 8 other buildings identical to mine and will be reaching out to them to use Easy Energy.</i> * * * * - Four Stars
What can we do to improve our services?	You are doing a great job already.
